## Tips

Trellis or vertical support saves space in your garden.

- Canteloupe, Cucumbers, Indeterminate Tomatoes, Gourds, Peas, Squash, Pumpkin & Watermelon.
- The larger fruits ( Canteloupe, Watermelon, Pumpkin & Squash) will require additional support as the fruit ripens.

Perfect for Small Container/Patio Gardening

- Determinate Tomatoes, Lettuce, Green Onions, Peas, Beans, Spinach, Radish, Peppers.

Harvest after frost

- Gourds, Leeks
